Discipline policy and procedures:

A disciplined life is a self-controlled life. In teaching children to be disciplined in their choices we use a variety of tools.

Positive Reinforcement – Appropriate behaviours are encouraged and reinforced. Reinforcement will take the form of verbal affirmation and sometimes will involve practical rewards (eg. Bonus Team Points, or “You are

doing a great job of listening/sharing/helping. You may be the first to tell us your story.”)

**Redirection/Correction**—When children behave in a way which is unacceptable, they will be asked in a firm voice to stop, told why the action is unacceptable, and an alternative behaviour sought. Children will be taught problem solving strategies to enable them to resolve their own conflicts. (eg. “Can we find a way to share/take turns/co-operate.”)

**Cool Down/Recovery** – When the above steps are not successful the leader may make use of a “time away area”. These spots are located in public areas but momentarily eliminate the opportunity for the child to participate. The leader will give the child a time to re-group and he/she may then be asked to re-join the group. If appropriate the leader will talk with the child about the behaviour and help him/her understand why it was unacceptable. At the leadership's discretion, parents may be contacted immediately to come and collect their child, or contacted at the end of the evening as necessary.

**Consequence of Misbehaviour** — In the event of recurring disciplinary problems the leader will discuss the matter with the child’s parent(s) to try to resolve the situation.

Mission Hill Church reserves the right to request the withdrawal of a child who is not adjusting well to the Awana environment.

I have read and understand the Discipline Policy of Mission Hill Church.

Typing your name below indicates you agree with the above discipline policy.
